

Hello zahirul islam,

Thank you for beginning the process of certifying your account as a trusted Sedo member.

Please review the information below. If any of the member information is not accurate, please login to your Sedo account, choose "My Sedo" from the navigation bar, and click on "Account Data" to update your account. After you have updated your account, please visit "Member Certification" link under "My Sedo" to restart the certification process.

If your information is correct, please read and sign the Member Certification Statement below and send back to Sedo.

Member Certification Statement

As a Sedo member, I hereby attest to the following to certify my account as a trusted Sedo Member:

- I have read and accept Sedo's terms and conditions.
- The contact details in my Sedo account are correct.
- I agree to purchase domains and sell domains for which an agreement has been reached according to Sedo's terms and conditions.
- I agree to perform all due diligence and research on domains I am interested in purchasing before submitting a binding offer.
- I understand that should I fail to meet my obligations in an agreement to purchase or sell a domain the other party may pursue legal action.
- I agree to follow Sedo's negotiation comment guidelines, including rules against including contact information, outside links and/or insincere or offensive remarks.
- I have read and accept Sedo's Rules for Domain Parkers and understand Sedo's domain parking programme is available for natural traffic only.
- I agree to list in my Sedo account, only domains which I own or have the right to manage.
